Selfhelp Life

DONATION NEWS

The Selfhelp Home is a non-profit senior living community offering independent living, assisted living, intermediate & skilled nursing care.

Honoring Selfhelp's Leaders

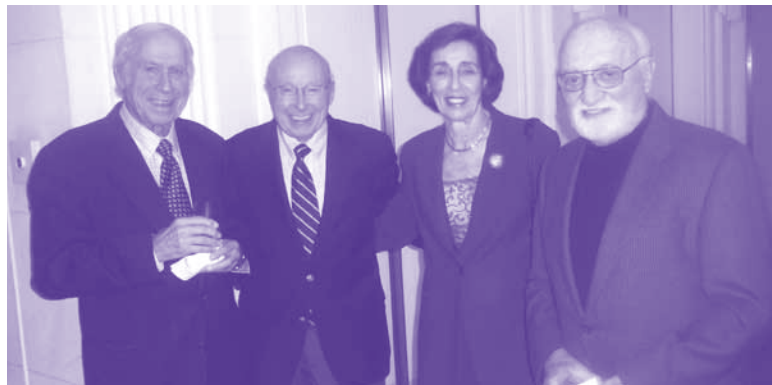

In 2010, Selfhelp reached another milestone in its history – celebrating 60 years of caring. Since the home's inception in 1950, it has grown tremendously over the past 60 years because of the leaders of Selfhelp that served as the foundation for this great organization. A group of dedicated volunteers formed a board of directors to address the issue

We are most appreciative of your ongoing and generous support and are proud to be of service to you and your loved ones.

of providing quality care and service for their parents and other Jewish elderly adults. Today, this volunteer Board of Directors guides the staff, manages the organization's finances, plans for the future and sets the tone for the excellent care that is given to every resident.

On October 24, 2010, Selfhelp celebrated this momentous

occasion at the Standard Club in Chicago by gathering together the Board of Directors, Selfhelp Members, residents and guests to recognize Gerry Franks, Herb Roth and Rolf Weil with

Lifetime Achievement Awards. Over 200 people attended the event and donations exceeded expectations. The group was welcomed by M. Jay Heilbrunn

and blessings were performed by Hedy Ciocchi. President Austin L. Hirsch then presented the Lifetime Achievement Awards. Gerry Franks was recognized for his lifetime of leadership, Herb Roth as the

leader who built and Rolf Weil as a leader who inspired. Each of these men brought their enthusiasm for life, many talents and energy to Selfhelp and for this, we are eternally grateful.

These men recognized:

- **the importance of the dignity of aging**
- **the importance of family**
- **the importance of mind**
- **the importance of Judaism**
- **the importance of quality healthcare**
- **the importance of caring for people**

Beginning with the money raised during this event, a special fund will be established called the Lifetime Leadership Achievement Fund. This fund will focus on issues of importance to Selfhelp's leaders and support programs that

benefit the residents, their families and members of the Selfhelp Home.

The fund will be used for a lecture series hosted by prominent individuals who focus on the dignity of aging; improving the quality of healthcare; the role of Judaism; and the importance of family. It will also support educational initiatives for Selfhelp Home staff members to improve the quality of care for our residents.

Later in the evening, Jack. R. Bierig, a Partner with the law firm of Sidley and Austin addressed the Issues in Health Care Reform, a timely topic of interest to everyone. Jack specializes in serving professional associations in the health care field and teaches Health Law and Policy at the University of Chicago Law School and the Harris School of Public Policy. He is well-versed on the issues Americans, and seniors in particular, face with the implementation of Health Care Reform and provided great insight on this much debated subject.

Guests savored a delicious meal and great companionship, while reflecting on the valuable and unique care and services that are provided by the Selfhelp Home. We are most appreciative of your ongoing and generous support and are proud to be of service to you and your loved ones.

*Rolf Weil, Honoree with Board President,
Austin Hirsch*

Make a Donation to Selfhelp Online

The Selfhelp Home offers a secure, online option to allow you to easily make a donation to the home via our website at www.SelfhelpHome.org.

Simply click on the button at the top of the screen that says "Donate" and you will taken to a page that requests certain information about you (name, address, etc). Complete the form, indicate how much you wish to donate, and provide your Visa, MasterCard, American Express or Discover card number. Payment will be made through PayPal.

The Selfhelp Home is a not-for-profit organization serving Jewish elderly. We are able to provide the highest standards of care because of generous donations like yours that support our efforts.

Selfhelp Receives Grant from Bernard Heerey Family Foundation

The Selfhelp Home is very pleased to announce that it is a recipient of the Bernard Heerey Family Foundation Grant Assistance Program. Basically, this grant provides for the financial assistance of certain residents and will make possible the acceptance of a potential resident that otherwise would not qualify financially for admittance. It is a one year grant that the Foundation may renew after reevaluating the program.

This grant is available to a potential applicant of the skilled nursing care facility and also to potential residents in the independent and assisted living apartments. The Selfhelp Home is grateful to the Heerey Family Foundation for this grant and the opportunity to give deserving, elderly Jewish people the ability to make Selfhelp their home. We are pleased to announce that we currently have four residents that met the criteria of the Heerey Family Foundation Grant.
